### Recommendation

In bidding for procurement of office equipment's, five bidders had been participated: 1) Arash Ziaee Logistics Services; 2) Mah Banoo Trading Ltd; 3) Munar Chakari Logistics Services Company; 4) Shams Rasteen Logistics Services; and 5) Golden Global Construction Company. According to the order number of (1401) date 26/sanbula/1398 supreme audit office, evaluation committee appointed to evaluate the bidding offers, relatively, the result of evaluation stated as follows:

1. Arash Ziaee Logistics Services Company. The company's offer is AFN 801,500. This is the lowest offer among all the offers, but it is 35.53% lower than the estimated price of the project. When a offer is 30% lower or higher than the estimated price, as per procurement law, entity must inquiry about the offer price from the company for more explanation. Evaluation members committee, did so and issued questionnaire number (2) date 11/7/1398. The company has replied that it had made a mistake in the two last item of offer and this company is unable to provide the project with that price. Though the company's offer is the lowest, based on the above explanation, therefor the company is not qualify. On the other hand according to the procurement law those companies that disrupt the bidding process they should be treated accordingly.
2. Munar Chakari Logistics Services Company. The offer quoted total price is AFN 1,311,931. This offer has no arithmetic errors. The company has offered AFN 3,951 unconditional discount. By considering discount, the offer price will decrease to AFN 1,308,000.
3. Shams Rasteen Logistic Services. The offer quoted price is AFN 1,351,388.75. This offer has no arithmetic errors.
4. Mah Banoo Trading Ltd. The offer quoted total price is AFN 1,264,750. This offer has no arithmetic errors.
5. Golden Global Construction Company. The company's offer is AFN 1,166,600 but it has two arithmetic errors in item 2 and 12. In item 2, the quantity is 6 and the unit price is AFN 75,000 which the total amount becomes AFN 450,000 but the bidder's total quoted price of this item is written AFN 45,000. The same, in item 12 the quantity is 1 and the unit price is AFN 2,000 but the total amount is not mentioned. By rectification the item the total price of the offer will increase from AFN 1,166,600 to AFN 1,573,600. Later on the evaluation committee had issued the questionnaire number (2) date 11/7/1398 for farther information. Then the bidder accepted it's arithmetic errors and mentioned that in the second item one extra zero mistakenly had been added in the unite price. Therefor the company is ready to procure the project with total amount of AFN 1,168,600.

From the above bids, the offer of Arash Ziaee Logistics Services Company is the lowest price, but the company is not ready to provide the project. The second lowest price is the Golden Global Construction Company.

Based the above explanations, we have papered our report according to the article (63) of procurement law, and (119) procurement of procedures for final decision of Auditor General.
