Procurement of Servers and IT Tools for SAO main office
RFQ: (AF-SAO-FSP-145971-GO-RFQ-2019)

Recommendation

In this bidding, four bidders have participated to procure the servers and IT tools for SAO main office.

1. Asia Green Information Technology Services Company:

a) This bidder's bid has arithmetic error. In item number 5, the quantity is 2 and the unit price is 7,700 that its total becomes 15,400 but the bidder has made an arithmetic error in total and has written it 14,400 AFN. After correcting the mentioned error, the total amount of this offer has increased from (2,274,460) to (2,275,460 AFN). The bidder has been asked to accept its error. It has done so.

b) This bidder has forgotten to attach its business license, but we know that the bidder has it and in the previous project, purchasing of security cameras and tools for SAO, it was attached and was asked of its correctness. The business license was correct and the contract of the mentioned project is going to be signed as soon as possible.

c) The correctness of the bidder's statement of account and bid security has been asked from resources that have issued them. All of these resources have approved their correctness.

d) This bidder's offer is about 31% lower than the estimation cost of the project. In such cases, according to the Afghanistan Procurement Regulation, the evaluation committee must ask for clarification. The bidder was asked to clarify the reasons of offering an offer 31% lower than the estimation cost. It has expressed that has no problem with completing the project and is ready to complete it without any problem.

Therefore, this bidder has offered the lowest evaluated bid.

2. Blue Bit Networking Services: This bidder has offered the second lowest price for the project. The bidder has made no arithmetic error and its offer is (2,681,113AFN). So it gets the second rank of the bidding.

3. Afghan Skills Group Networking Company: This bidder has offered the third lowest price for the project. Its offer is (3,988,124.56 AFN). It has (156,000) discount. After subtracting the mentioned discount from the total price, this company's offer has reduced from (3,988,124.56 AFN) to (3,832,124.56). So, the third position is belongs to this company.

4. Grand Technology Resources SDN, BHD: This bidder has offered the fourth lowest price. Its offer is (5,183,343 AFN). This bidder has made no arithmetic error. Therefore, this bidder has offered the forth lowest price for the project.

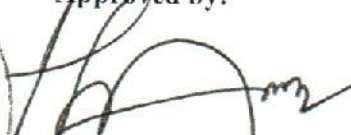

Procurement of Servers and IT Tools for SAO main office
RFQ: (AF-SAO-FSP-145971-GO-RFQ-2019)

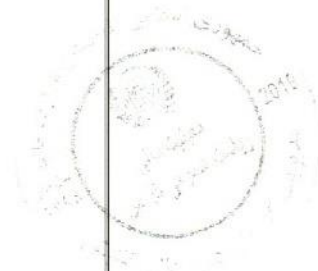

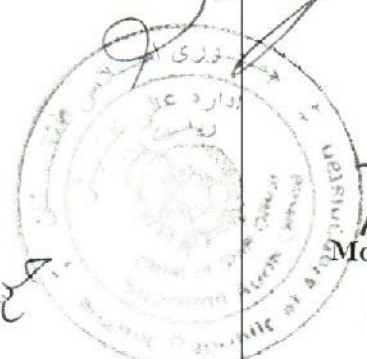

Based on the above explanations, after evaluating all the bids in compliance with the RFQ requirements, we have found all four bids responsive. Among the bidders, the Asia Green Information Technology Services Company has offered the lowest evaluated price for the project and is offered to be awarded by the contract.
